

# 2010 Inclusion Works

A Three-Part Series Featuring Cutting-Edge Strategies and Proven Techniques

Presenter:

**Jill McCollum**, Developmental Specialist

## Session 1: Saturday, August 21<sup>st</sup>\*

RSVP Deadline: Monday, August, 16<sup>th</sup>

### Standards-Based Curriculum Modification and Adaptation:

Introduces and extends the principles, resources, and actual practices necessary to create successful, meaningfully adapted materials for students with substantive disabilities in the general classroom. The afternoon will include a hands-on modification clinic, during which participants will apply principles to specific assignments. Participants are strongly encouraged to bring examples of assignments to modify.

## Session 2: Saturday, September 25<sup>th</sup>\*

RSVP Deadline: Monday, September 20<sup>th</sup>

### Designing the IEP for Successful Inclusion in a Time of Limited Resources

Updated information on writing IEPs as a tool to align resources, support students and educators, and to make the most of finite resources available.

## Session 3: Saturday, November 20<sup>th</sup>\*

RSVP Deadline: Monday, November 15<sup>th</sup>

### Successfully Supporting Students with Challenges in Social Language and Behavior in Inclusive Settings

This session places emphasis on current research and practical advice for parents, psychologists and educators who struggle to be effective when working with students who present with highly challenging behaviors.

\*The location for all workshops is Pima Community College Downtown Campus
